

Terms and Conditions: Summer Term “Early Start at Funded Rate” Promotion

Eligibility

- This offer is available to families with children who are eligible for government-funded childcare (**from 9 months to 4 years old**) from September 2026.
- Children must meet the age and funding eligibility criteria set by the UK Government for Early Education Entitlement (EEE).
- The offer is available at selected LEYF nurseries only, and subject to a limited number of places per setting.

Offer Details

- Eligible families may start their funded nursery place early, from July 2026, at the same funded hourly rate that will apply from September 2026.
- Families pay only the equivalent funded-rate fee for those hours during the early start period.
- We reserve the right to withdraw this promotion at any point.

Attendance Requirement

- Children must attend the nursery for a minimum of three days per week during the early start period (July - September 2026).
- Individual days and session patterns are subject to availability at participating nurseries.

Duration of Offer

- Applies from July 2026 until the child’s funded entitlement officially begins in September 2026.
- Places will automatically continue into the funded term (September 2026 onwards) unless notice is given in accordance with standard nursery terms.

Funding Code Requirement

- **A valid government funding eligibility code must be provided to the nursery before the early start place can be confirmed or the offer applied.** The offer will not be valid without this code in place.

- **Parents can apply for their funding code up to 16 weeks before their child becomes eligible (e.g., from 5 months old for eligible babies). Because this early start offer begins two months ahead of the official term, any family eligible from September 2026 can acquire and submit their valid code in time for July/August.**
- Parents must ensure this code remains valid for the start of the official September 2026 term.
- Failure to maintain or provide a valid code will result in a reversion to standard nursery fees.

Registration and Deposit

- Families must register and confirm their place with the nursery to secure the offer.
- Standard registration and deposit fees apply, refundable or credited per LEYF policy.

Availability

- This is a limited offer, available on a first-come, first-served basis at participating nurseries only.
- LEYF reserves the right to withdraw or amend the offer at any time.

Funding and Fees

- “Funded rate” applies only to hours covered by this offer.
- Any additional hours, meals, or extras outside the agreed attendance pattern will be charged at the nursery’s standard rates.

Other Terms

- This offer cannot be combined with any other LEYF discounts or promotions.
- All families must sign the nursery’s Parent Agreement prior to starting.
