If your child does not qualify for the Working Parents funding, you will automatically receive 15 hrs of Universal funding from the term following their 3rd birthday.

If your two-year-old does not qualify for the Working Parents funding, you may be eligible for funding via your Local Authority. Please contact your Local Authority to check your eligibility and to apply for this funding. Eligible children will receive the 15 funded hours from the term following their second birthday. If you qualify, please inform your Nursery Manager.

The Government funds up to 30 hrs term time only for 38 weeks of the year. If you are on an all-year-round booking, the hours will be delivered pro-rotta at 11hrs (15hrs schemes) or 22hrs (30hrs scheme) over 51 weeks.

It is a condition that a Parental Declaration form is signed and submitted for all children in receipt of Government and Local Authority funding. Forms will be sent out two weeks prior to the start of each term via the Funding Loop online service and must be submitted before the start of term. Failure to sign the form may result in the funding being withdrawn and private fees being applied.
